Patent No: 7,502,700 B2
Application No: 10/708,115
Applicant: Yoshinori Iwaizono
Issued: March 10, 2009
Title: **SECONDARY BATTERY CONTROL CIRCUIT**

Request for Certificate of Correction:

Consideration has been given to your request for the issuance of a certificate of correction for the above- identified patent under the provisions of Rule 1.322 or 1.323.

Per the examiner "Applicant filed original Declaration on 02/10/2004. Subsequent to that, applicant filed a new Declaration on 06/29/2005. The remarks accompanying the new Declaration of 06/29/2005 on page 2 indicate that "It was a clerical error to check the "priority not claimed" box. Applicant attaches a new executed declaration without the clerical error properly claiming priority to PCT/JP00/01627". Therefore, the priority document information on the face of U.S. Patent No. 7,502,700 is deemed correct".

In view of the foregoing your Second Request for Certificate of Correction filed 08/12/2009 is hereby **denied**.

Further correspondence concerning this matter should be filed and directed to Decisions & certificated of Correction Branch.
